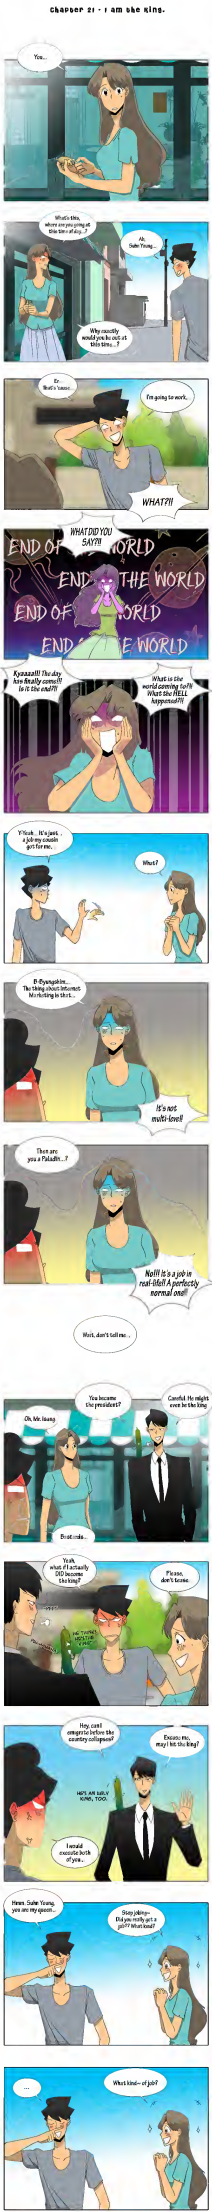
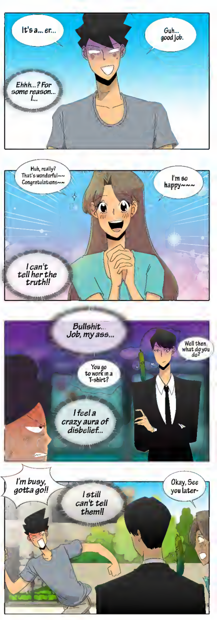
Story/Art RangTo

Chapter 21 - I am the King.



You...
What's this,
where are you going at
this time of day...?
Ah,
Suhn Young...
Why exactly
would you be out at
this time...?
Er...
That's 'cause...
I'm going to work.
WHAT?!!
WHAT DID YOU
SAY?!!
END OF THE WORLD
END OF THE WORLD
END OF THE WORLD
END OF THE WORLD
Kyaaaa!!! The day
has finally come!!!
Is it the end?!!
What is the
world coming to?!!
What the HELL
happened?!!
Y-Yeah... It's just
a job my cousin
got for me.
What?
B-Byungshim...
The thing about Internet
Marketing is that...
It's not
multi-level!
Then are
you a Paladin...?
No!!! It's a job in
real-life!! A perfectly
normal one!!
Wait, don't tell me...
You became
the president?
Careful. He might
even be the king
Oh, Mr. Isang
Bastards...
Yeah,
what if I actually
DID become
the king?
-PFFT
PUAHAHAHA-
HE THINKS
HE'S THE
KING~
Please,
don't tease.
Hey, can I
emigrate before the
country collapses?
Excuse me,
may I hit the king?
HE'S AN UGLY
KING, TOO.
I would
execute both
of you..
Hmm. Suhn Young,
you are my queen...
Stop joking~
Did you really get a
job?? What kind?
...
What kind~ of job?

RAW CROSSING



It's a... er...
Guh... good job.
Ehhh...? For some reason... I...
Huh, really? That's wonderful~~ Congratulations~~
I'm so happy~~~
I can't tell her the truth!!
Bullshit... Job, my ass...

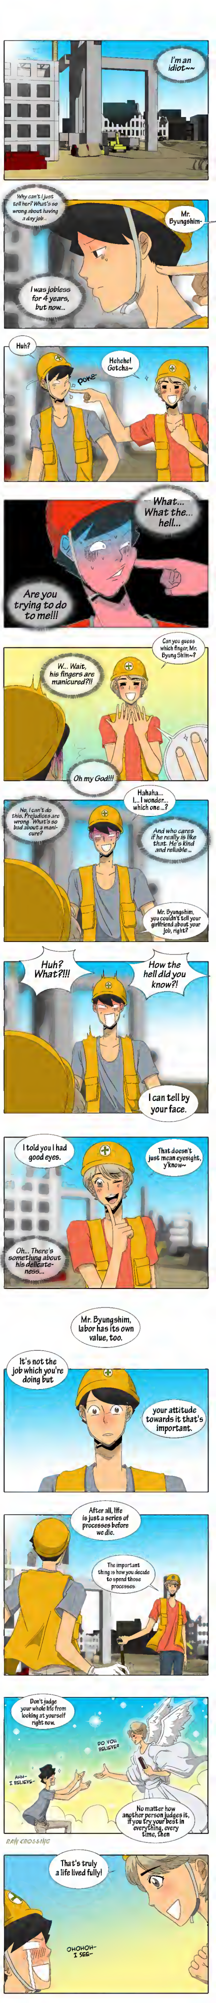
You go to work in a T-shirt?
I feel a crazy aura of disbelief...
I'm busy, gotta go!!
I still can't tell them!!
Okay, See you later-



I'm an idiot~~
Why can't I just tell her? What's so wrong about having a day job...
Mr. Byungshim-
I was jobless for 4 years, but now...

What... What the... hell...
Are you trying to do to me!!!
Can you guess which finger, Mr. Byung Shim~?
W... Wait, his fingers are manicured?!!
Oh my God!!!
Hahaha... I... I wonder... which one..?
No, I can't do this. Prejudices are wrong. What's so bad about a manicure?
And who cares if he really is like that. He's kind and reliable..
Mr. Byungshim, you couldn't tell your girlfriend about your job, right?
Huh? What?!!!
How the hell did you know?!
I can tell by your face.
I told you I had good eyes.
That doesn't just mean eyesight, y'know~
Oh... There's something about his delicateness...
Mr. Byungshim, labor has its own value, too.
It's not the job which you're doing but
your attitude towards it that's important.
After all, life is just a series of processes before we die.
The important thing is how you decide to spend those processes
Don't judge your whole life from looking at yourself right now.
DO YOU BELIEVE?
AHH- I BELIEVE-
No matter how another person judges it, if you try your best in everything, every time, then
